DOCKET NO. 2004-316-C - ORDER NO. 2005-364
JULY 11, 2005

IN RE: Petition of BellSouth Telecommunications,)	ORDER SETTING
Inc. to Establish a Generic Docket to)	DEADLINE TO
Consider Amendments to Interconnection)	RESPOND TO MOTION
Agreements Resulting from Changes of Law.)	

This matter comes before the Public Service Commission of South Carolina (the Commission) on a request for a specific timeline for the parties to file responses to BellSouth Telecommunications, Inc.'s (BellSouth's) Motion for Summary Judgment or, in the Alternative, Motion for Declaratory Ruling in this Docket. We would note that comments on this matter were filed by the Competitive Carriers of the South (CompSouth). In those comments, CompSouth noted that, although it would like thirty (30) days to file a response, it could actually do so by July 15, 2005. We would note that the Motion was filed with the Commission on June 20, 2005.

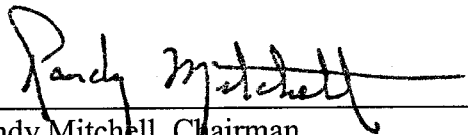

We hold that any responses to BellSouth's Motion should be filed with this Commission on or before the close of business on July 18, 2005. We believe that this gives the parties a reasonable amount of time to research the Motion and respond, while not unduly delaying the disposition of the matter.
